The **Copy & Ship Center**, part of Print • Mail • Copy Solutions is excited to share shipping price news that may affect your shipping decisions. UPS has recently had a contract revision that reduced many of their pricing options and this can mean savings to your departmental budget. To best find out if your next shipping decision can benefit from this new contract pricing, please contact the **Copy & Ship Center** at **(479) 575-7670** or email us at **[arucopy@uark.edu](mailto:arucopy@uark.edu)**. We not only offer these discounts to university departments but we also offer discounts below retail to faculty, staff, and students. Come see us on the first floor of the Union, across from Chartwells Administrative offices.
